LETTER FROM THE PRESIDENT

It has been a truly rewarding experience to serve as your PA Foundation president. Service on the board is an opportunity to see first-hand how much the PA community cares about others and the many role models for healthcare service we have amongst us. I am grateful for the support of our generous individual donors, constituent organizations, and corporate partners who have provided funding to support the Foundation to carry out its vision of “patient-centered, team based, quality healthcare for all people.”

Over the last year, our activities began to diversify as the Board began to revisit the mission and vision of the Foundation. We remain committed to PA student scholarships, especially supporting students from under-represented communities, to help ensure a diverse PA workforce. In 2014, the Foundation received and our volunteers reviewed more than 1,270 scholarship applications. Your generous contributions enabled us to support 56 PA students, for a total of \$98,000 in scholarships.

Our new strategic plan was a collaborative and creative endeavor undertaken by the PA Foundation staff and Board of Trustees in August 2014. We have received an enthusiastic response from our stakeholders on these new initiatives. We are excited about launching even more as we work to fulfill our new mission which focuses on empowering PAs to be a force of positive change in their communities, our country, and across the globe. I am truly energized by the direction of the Foundation as it moves to a platform that not only encourages PAs to embark upon this important work ... but supports them financially. Our goal is to support programmatic models that PAs can easily replicate in their own communities. This strategy allows us to leverage our resources to impact exponentially more individuals and communities.

Capitalizing on the gathering of PAs at AAPA Conference 2014, the PA Foundation hosted several events in Boston. Our Caring for Communities Award, presented at the Foundation’s annual fundraising dinner A PAramount Evening, recognized the work of the Boston Health Care for the Homeless program. In addition, the Foundation teamed up with Boston’s “Run to Remember” 5 K fundraising event.

Thank you for the role you play as a donor to the PA Foundation. We’re honored to see more and more PAs making contributions to our mission. Your vote of confidence signals to our Board of Trustees that we’re headed in the right direction. With your dedication, we can continue to provide ongoing support to our colleagues, as they do their part in positively impacting the health of citizens across the world.

Sincerely,

A handwritten signature in black ink that reads "Lisa Mustone Alexander". The signature is fluid and cursive.

Lisa Mustone Alexander, EdD, MPH, PA-C
President

CARING FOR COMMUNITIES AWARD

The Caring for Communities Award recognizes and supports the work of PAs and PA students making a difference in the lives of people struggling with a variety of healthcare and social issues. Each year, a charity is selected to receive the Caring for Communities Award and an accompanying grant to support its work. The recipient must be a 501(c)(3) nonprofit organization that provides needed services to disadvantaged individuals and offer an important educational opportunity and impactful experience to PA students, PAs and other volunteers.

The Caring for Communities Award is supported by contributions from PAs, PA program student societies and other partnering organizations.

2014 CARING FOR COMMUNITIES AWARD RECIPIENT BOSTON HEALTH CARE FOR THE HOMELESS PROGRAM

Boston Health Care for the Homeless Program (BHCHP) is a nonprofit organization that provides or assures access to the highest quality healthcare for all homeless men, women and children in the greater Boston area.

BHCHP's integrated care model unites physicians, PAs, nurse practitioners, nurses, case managers and behavioral health professionals in a close collaboration. They follow patients together and separately in a variety of settings: on the street, in medical respite care, in outpatient clinics and in shelters and housing. BHCHP's senior staff members include Melinda Thomas, PA-C, associate medical director, and Carole Hohl, PA-C, director of HIV services. In 2013, BHCHP served more than 12,000 patients in more than 90,000 outpatient medical, oral health and behavioral health encounters.

The PA Foundation gratefully acknowledges the following PA Student Program Societies for their fundraising efforts to support the 2014 Caring for Communities grant.

FUNDRAISING ACTIVITIES HIGHLIGHTS

Boston Health Care for the Homeless Program,
Caring for Communities Award Recipient

Heather Abbott, Guest Speaker,
A PAramount Evening

Each year several of the Foundation's fundraising events take place in conjunction with the annual AAPA Conference. These events are to increase awareness of the PA Foundation and to raise funds in support of the Foundation's programs and initiatives that improve healthcare delivery to underserved communities around the globe.

A PARAMOUNT EVENING - CELEBRATING THOSE WHO HEAL, EDUCATE, LEAD AND PROVIDE

Approximately 300 PAs, PA students, and other supporters of the PA profession gathered during AAPA Conference to celebrate the 2014 AAPA PAragon and PA Foundation award recipients at the fifth annual A PAramount Evening on May 27, 2014, in Boston. The award recipients were recognized for their exemplary service to their patients and the impact they have made on the delivery of quality healthcare and the PA profession.

The event featured guest speaker Heather Abbott, a Boston Marathon bombing survivor. She suffered a severe injury to her left foot, resulting in a below-knee amputation. Abbott

spoke about overcoming adversity and how healthcare professionals impact recovery from a traumatic injury. Her speech was an inspiration to all who attended this special event.

Proceeds from this event support the PA Foundation's programs and initiatives to foster better health through better care. The PA Foundation thanks the corporate and constituent organization supporters listed below as well as the volunteers, award recipients and guests for making the 2014 dinner a success.

RUN FOR A CAUSE 5 MILER

In 2014, the Foundation teamed up with Boston's Run to Remember annual half marathon on Sunday, May 25. AAPA runners and walkers raised funds to support the Foundation's Caring for Communities' grant awardee Boston Health Care for the Homeless Program.

PARTY WITH A CAUSE

A casual and fun networking event that took place on Monday, May 26 at the Howl at the Moon in downtown Boston. Proceeds from this event supported the PA Foundation's Student Scholarship Fund. Minute Clinic was a sponsor of this event.

#GIVINGTUESDAY: DEC. 2, 2014

The Foundation's fundraising campaign that is tied with #GivingTuesday is a national day of giving at the start of the annual holiday season. It is the perfect time for PAs to support the Foundation.

CORPORATE COUNCIL

The ongoing support of the members of the PA Foundation's Corporate Council helps sustain the Foundation's programs and activities, including student scholarships and the grants it awards to PAs and PA students for their innovative work in providing quality healthcare to thousands of individuals in underserved and underprivileged communities globally.
